

Wave

Wave Collection blurs the lines between indoor and outdoor spaces with calm colors inspired by the natural world. Fresh and graceful, these porcelain tiles feature subtle movement and neutral tones that range from serene greys to peaceful blues. The collection is complemented by matching 12" x 24" Art Nouveau-inspired fanned decos, streamlined and repeated in a symmetrical pattern, as well as trending mosaics and trim pieces.

This collection provides a simple but sophisticated backdrop for both residential and commercial settings, offering maximum design flexibility.
