

# Tractor Supply Headquarters Brentwood, TN

# #03

Completed in 2014 this LEED certified building sports a 645 sq ft RockCast cast stone soffit of 194, 1.5" thick panels. Twenty different panel sizes were needed, ranging from 1' 11.625" x 1' 11.655" to 7.625" x 1' 11.625", as well as 6 unique trapezoid shaped panels. The new headquarters, referred to as the "Store Support Center," brings almost 900 employees for the country's largest operator of retail farm and ranch stores under one roof.
