Beautiful products that last forever.

Glen-Gery, part of Brickworks Limited of Australia, is a premier brand and award-winning manufacturer of brick and stone products, and a distributor of in-house manufactured and globally sourced exterior/interior building products. Our expansive manufacturing and sales facilities as well as our dealer network across the United States and Canada allow us to offer a broad product portfolio, when and where you need it, to meet the growing demands of the architectural design community and building industry.

La Paloma Azul

Expanding our portfolio.

PREMIUM BUILDING PRODUCTS FROM ABROAD.

An illuminated vision.

Revel in the clarity and refined elegance of Venetian Glass brick. The possibilities are truly transformative.

Venetian Glass
Arctic Crystal

International

COLLECTION

La Paloma

Sophistication with allure.

Reflecting the contemporary Spanish artists that inspired them, the bold and confident La Paloma range of icy white, blue and coal black bricks, express a deeper level of desire and creativity. With outstanding quality, these eye-catching through-the-body bricks transform buildings into works of art, in a spirit Dali would be proud of.

Thin Brick

COLLECTION

A study in form and function.

Glen-Gery thin brick can provide the unique style and design of full size brick at any stage in a building's life cycle because it eliminates structural requirements of full size brick and can be installed without a mason. It's great for interior applications including ceilings and floors, as well as exteriors.

Bayhill Thin Brick

A compelling alternative.

EXPANDING THE DESIGN POTENTIAL.

Providing maximum effect.

With thin brick, restrictions go out the window and walls go up. Designed to eliminate the limitations of other brick, thin brick stands as a compelling alternative for designers.

Rustic Brick

Time-honored warmth and charm.

Glen-Gery rustic brick varies from tumbled and mortar stained red brick to earthy tone brown brick with multiple coatings and dimpled bodies to provide a rugged, naturally beautiful product. The products possess an organic warmth unlike other brick and are meant to look centuries old with a story to tell.

Sioux City Brick
— Since 1913 —

Sioux City Brick® joins Glen-Gery.

For over 100 years, Sioux City Brick, like Glen-Gery, has manufactured brick to the highest industry standards. In 2019, Sioux City Brick became a part of the Glen-Gery family. The focus was, and always will be to create long-lasting products in a multitude of sizes and shapes with a broad color palette, allowing designers and architects the flexibility to create beautiful, sustainable homes and buildings.

Ebonite Smooth

Where quality and integrity meet.

YOU CREATE THE VISION, WE CREATE THE BRICK.

Ideas become realities.

The special 16" modular brick used to create the angled sunscreens give a distinct character to the windows. Rich pastel colors create interest and lasting appeal.

Brick Shapes

Danish "1776"

+

Glen-Gery will produce custom brick shapes for projects requiring a specific detail or unusual effect.

Personalized design and engineering services for custom brick sizes and shapes are available.

The versatility of brick on display.

Sophisticated architectural plans often demand more than traditional brick. Glen-Gery's experienced craftsmen have built a portfolio of precise standard shapes, and when design specifications require more, the same experts assist in creating the unique shapes you need for your project.

Glen-Gery Wall Systems.

Glen-Gery offers a broad portfolio of masonry accessories and wall components as well as complete wall systems like our Thin Tech® masonry support and spacing panel. These products complement our extensive thin brick offering and include Feldhaus, a premium German-made thin brick line with colors and textures ideal for all applications.
