Royal Thin Brick® can be installed on nearly any sound structural interior or exterior surface. Use Royal for new construction or your next renovation project. It's perfect for anywhere you want the look of full brick without the added cost and effort.

The color palette captures the character of walls built in a bygone era. All are kiln fired and rugged enough to stand up to the harshest environments. After firing, the brick are tumbled to capture the essence of worn, reclaimed brick.

Royal Thin Brick is available in Queen Size, 2 3/4" x 7 5/8", and is 5/8" thick.

Please note that this product has an approximate lead time of 8 weeks.
