Tumbled Random Height Veneer creates an old world, or aged appearance. Our Collection of Tumbled Random Height veneer is snapped stone with heights created by the natural milling of rock layers in the quarry over millions of years ago. It is then tumbled to create softer, rounded edges. Communicate with your mason to assure you achieve the look you want for your project.

semcostone.com
Semco Stone’s Dimensional Collection is created when quarried stone snapped at random lengths are then sawn to specified heights, usually 2¼”, 5” and 7¾” (10½” Jumpers available).

Our Dimensional Collection creates a more formal look with its defined lines which also provides efficient and economical installations.

Bring the beauty home with Semco Stone.

The old world appearance of Tumbled Dimensional veneer is created when quarried stone snapped at random lengths are then sawn to specified heights, usually 2¼", 5", and 7¼" (10½" Jumpers available). Snapped once more to the correct depth, the Dimensional stone is then tumbled, which gives the impression the stone is aged.

The linear lines of Ledgestone is a sought after element in both residential and commercial design. Ledgestone can create an appealing contrast of rugged texture and contemporary design.

In the photos on these two pages, the stone has been tooled by a mason. Communication is important between the homeowner and mason to ensure you achieve the look you want for your project.

SHOWN RIGHT
Iron Mountain Sawn Ledge
Like the mosaics of ancient Rome, Webwall is a pattern of different stones that fit together as orderly as the mason or home owner desires. This application is perfect for interior fireplaces or exterior applications and complementary to any rustic, classic or contemporary design.

Create the look you want with the personalized style you desire. Natural stone from Semco Stone can create a unique look that sets you apart from others with many of our custom cut stone options. Our state-of-the-art fabrication facility can create curved and straight stone profiles such as those for archways, coping, caps, sills, custom signs and so much more.

Use nature as your inspiration.
HEARTHSTONES & MANTLES
Hearthstones and Mantles by Semco Stone are the final touch to your masterpiece. A natural stone hearth can enhance your fireplace design both in character and texture. Hearthstones and Mantles can be custom cut and finished to your specifications. Contact your sales representative for more information.

CAPS & COPING
Caps and Coping are the perfect complement to our natural stone veneers. Available either snapped or sawn they give your project the finished detail for countless applications. The possibilities are endless from pool surrounds to the finishing touch on columns, piers, entrance monuments, staircases and more. Caps and Coping are available in various finishes.

KEYSTONES
Keystones give the finishing touch to doors or other masonry openings to enrich the overall finish of your project. The sides can be sawn or snapped for a formal, rustic, contemporary or classic appearance. Keystones are available in various finishes.

SILLS
Sills can be used under windows and at the top of a stone wains coat. They are sawn on the top, bottom, ends and back with your choice of snapped or sawn-face. Sills are available in various finishes.

QUOINS
Quoins give the finishing touch to corners or entryways and complement any of our veneer blends. Each piece has a snapped face and end. The top and bottom of the Quoins are available as sawn or snapped. Quoins are available in various finishes.

TRIMSTONES
Trimstones are precut stones used to stack either around or above windows and doors. They can be utilized either horizontally or vertically. Each piece has a snapped face and ends, and are sawn on top and bottom. Both heights are available in full veneer or ThinCut™.

STEPS AND TREADS
Whether used for an indoor staircase, or exterior entrance, Semco Stone can produce custom Steps and Treads to complete your natural stone project. Steps and Treads can be custom cut and finished to your specifications, contact your sales representative for more information.

See page 124 and 125 for finishes and decorative edge options.
Semco Stone Natural Stone Countertops offer a perfect harmony of performance and beauty in both indoor and outdoor applications.
