VINTAGE THIN BRICK

Back when a 2x4 was actually 2" x 4" and stone wasn't colored concrete, brick were typically eight inches in length. This series of 1/4" thin brick pays homage to this traditional size of 2-1/4" x 8". The antique rumpled finish is intended for the wall, but perfectly at home on your floor.

Rich Mahogany

Paver Tiles™ are 1/2" or 3/4" clay brick tiles that install like traditional ceramic tile. They allow homeowners to bring the timeless appeal of clay brick to spaces with height or weight restrictions. Paver Tiles are great for interior projects or rehabilitating outdoor spaces and are available in all of Pine Hall Brick's popular clay paver colors and textures.
