FOR IMMEDIATE RELEASE

Forbes Magazine Names Acme Brick Company One of America's 500  
Best Midsize Employers in 2026.

Fort Worth, Texas – For the second year in a row, Acme Brick Company has been judged by Forbes Magazine as one of America's top 500 midsize companies to work for.

The 11<sup>th</sup> annual rankings were based primarily on survey responses from more than 217,000 employees working at mid-sized companies within the U.S. that employ between 1,000 and 5,000 people.

Survey respondents were asked if they would recommend their employer to others and to rate it based on a range of criteria including salary, work environment, benefits and opportunities to advance.

Acme Brick Company, founded in 1891, sells quality building materials and design products for homes and commercial structures through over 50 Acme Brick Tile & Stone showrooms across 13 states in the Southwest and Southeast. The company operates 15 brick manufacturing facilities in four states. Acme is a wholly owned subsidiary of Berkshire Hathaway, Inc. For more information visit [brick.com](http://brick.com).
