Bellara Stocked & Special Order

Bellara™

Steel Siding

Natural Beauty, Locked In.

Siding crafted to emulate natural wood, engineered from steel, designed to last a lifetime.

Builders and architects turn to Bellara when designing for all sectors. Its timeless beauty, guaranteed by state-of-the-art coil coating by Sherwin-Williams, and its durability make Bellara an ideal choice.

-  40-Year Warranty
-  Hyper-realistic Detail
-  Made in the U.S.
-  Matching Trim System
-  100% Recyclable

Proudly Made in the U.S.

Vicwest proudly manufactures the following Bellara Steel Siding profiles in Little Rock, Arkansas.

Bellara Plank 90, 135, and 200
Bellara Board & Batten 140 and 260

Coating Systems

SMP

(Silicone Modified Polyester)

90% of all Vicwest colors are SMP coatings provided by Sherwin Williams under their trademark WeatherXL. They form our Signature and Signature Matte color series.

Our Signature Matte colors incorporate resin that is specifically intended to create a textured matte finish, scattering light and eliminating the steel's glossy appearance.

Expressence

Architectural Print Series

Our PVDF coating system allows us to recreate the look of natural materials in steel products. Before Bellara Steel Siding is formed, it is printed with a high resolution pattern that mimics wood.
